Personal Statement |

I am an enthusiastic and dedicated 3rd year student at university who enjoys working as part of a team or independently to achieve success. As I have grown up I have always had a passion for technology of all kinds, as I'm sure can be show cased by my current studies, this passion has only developed more as I continue to learn about and work with technology.

Key Skills |

- HTML5
- CSS3
- UX/UI Design
- GitHub

Experience |

Edge Hill University / Student Guide
APRIL 2021 - PRESENT, ORMSKIRK

As part of my time working as a student guide I have had the great opportunity to work on and improve my customer service and communication skills, doing this allowed me to provide helpful tours of the university campus to students who had either already applied or those who were considering choices.

Argos / Stockroom Assistant
October 2021 – January 2022, ORMSKIRK

In this position, I worked as part of a team to help put deliveries away each morning I was in, this required having effective communication with other team members and being able to work independently to ensure that the deliveries were put away on time. I was also trained on two different headset management systems to ensure stock was put away properly in the correct locations.
